👉👉 We hope to be able to get things done with three meetings. A lot will depend on your organisation. If we cannot get things done as planned, there will be a fourth meeting on September 16! Please be flexible and plan accordingly!

We are planning on giving you the information on **train connections** on August 26.

Once again remember that you must fill out the **ESTA registration** form online prior to leaving! We do know that U.S. officials say that the registration can be done 72 hours prior to departure. However, we advise you to fill out the registration by the end of August at the latest. Do not pay more than \$14!
